

Full house at the talk of Dr Löder

35 guests visited us for the lecture and the lab tour

Key Lab Microplastics Analysis

Numerous visitors also attended the
FlussFilmFest in 2 cinemas

A photograph of three people on a stage. On the left, a woman with glasses and a dark patterned top holds a piece of paper. In the center, a man with glasses and a light-colored shirt is gesturing with his right hand. On the right, an older man with grey hair, wearing a dark hoodie and jeans, stands looking towards the other two. The background is a large screen displaying a landscape image. The text 'kino & k...' is visible at the top of the screen. The stage floor is dark, and there is a small object on the left side of the frame.
